

Dear Parents,

We hope all of you had a safe and fun St. Patrick's Day. We had some fun with our resident Leprechaun who caused some mischief of his own. I am sure he was laughing when we had another bout of snow last week!

We, however, look forward to spring time and are collecting "Bottles for Butterflies". Please donate empty bottles and cans to recycle so that we can purchase 3 butterfly homes and the caterpillars to go in them. The recycling boxes are in the front hallways by the doors.

Happy April birthdays to Sydney, Lucas M., Mia, Ray, Conner, Madeline, Elizabeth, and Declan

On April 12 we will be having an Open House to welcome new and prospective families to Cranberry Crossing. We encourage you to invite your friends and neighbors to come and visit with us as well. Enrollment will increase over the next several months and spaces will fill up quickly. Register now to ensure that you have a space for your child for the upcoming 2014/2015 school year. A \$50 credit will be given to a parent if they refer a new child who registers to attend CCEEC. The credit will be applied when the new child has attended the daycare for 60 days.

We are open on Patriot's Day and ask that you please let us know if your school age child will be attending CCEEC during April vacation.

We would like to welcome Stephanie to our infant/toddler staff. Stephanie was hired to help staff our infant room as there has been a baby boom over the past few months at Cranberry Crossing. We welcome Dante, Tyler, Patrick, John, Miles, and Genevieve to our Infant/Toddler rooms.

This year, we thought it would be nice to have family portraits taken on the beach at Nelson's Park in Plymouth. We will tentatively schedule it on a Saturday and have parents sign up for a specific picture time. I need to have a minimum number scheduled in order to reserve the photographers. Please see me to sign up if you are interested.

Please be sure all vehicles are turned off when parked during drop off and pick up. We remind parents every spring to minimize safety concerns as we are crossing to
